- Our pools have a saltwater system that reduces chlorine use.
- There are plenty of plastic cups for use around the pool. Please let us know about any broken glass so that our team can clean it up.
- The bean bags are waterproof so feel free to play with them in the pool.
- Monitor young kids in and around the pools.
- Encourage everyone to carefully walk – not run – in the areas by the living room and bedrooms. The tiles can be slippery, so we lay out rubber mats in those areas to prevent slipping.
